- ④ where they had less limited water access
- ⑤ where there was access to water that was less limited

VI. 다음 글을 읽고 질문에 답하시오(각 3점; 33번 4점).

[23 - 24]. Leaders of the Group of 20 major economies agreed on a final statement that urged "meaningful and effective" action to limit global warming, but angering climate activists by offering (A) concrete commitments. The result of days of tough negotiation among diplomats leaves huge work to be done at the broader United Nations COP26 climate summit in Scotland, which starts this week. Although the G-20 pledged to stop financing coal power overseas, they set no timetable for phasing it out at home, and watered down the wording on a promise to reduce emissions of methane - another (B) greenhouse gas.

23. Which are the most suitable expressions for A and B?

- ① a few - strong ② few - potent ③ no - weak
- ④ less - weak ⑤ few - minor

24. Which title can best describe the passage?

- ① G-20 Offers Little New on Climate
- ② United Nations' Tough Negotiation on Climate
- ③ Final Statement of G-20 on Greenhouse Effects
- ④ G20 Works Hard to Promote COP26
- ⑤ Angering Activists Set No Timetable for COP26

[25-26] Wole Soyinka, Nigeria's Nobel-winning author, sees his country's many problems - misgoverning politicians, systemic corruption, violent extremists, kidnapping bandit - (A) he does not despair. At 87, he says Nigeria's youth may have the energy and the know-how to get the troubled country back on track. It is up to the new generation "to decide (B) they want to keep going along the same chugging one-track train," or chart a new course, Soyinka said. He credits young Nigerians - about 64 million between 15 and 35 years of the country's more than 200 million people - for trying to fundamentally reform the country.

25. Which are the most suitable expressions for A and B?

- ① yet - what
- ② and - when
- ③ yet - whether
- ④ but - why
- ⑤ and - which

26. Which title can best describe the passage?

- ① An Author's Despair for Nigeria
- ② An Author's Decision for Future
- ③ An Author's Power for New Course
- ④ An Author's Credit for Country's Change
- ⑤ An Author's Hope in Young

[27-28] In recent years, teachers of introductory courses in Asian American studies have been facing a dilemma nonexistent a few decades ago, when hardly any texts in that field were available. Today, excellent anthologies and other introductory texts exist, and books on individual Asian American nationality groups and on general issues important for Asian Americana are published almost weekly. Even professors who are experts in the field find it difficult to decide which of these to assign to students; nonexperts who teach in related areas and are looking for writings for and by Asian Americans to include in survey courses are in an even worse position.

27. The author of the passage is primarily concerned with doing which of the following?

- ① Responding to a criticism
- ② Evaluating a past course of action
- ③ Discussing a problem
- ④ Recommending a methodology
- ⑤ Describing a course of study

28. The passage implies that which of the following was true of introductory courses in Asian American studies a few decades ago?

- ① The range of different textbooks that could be assigned for such courses was extremely limited.
- ② Such courses were the only means then available by which people in the US could acquire knowledge of the field.
- ③ Such courses were offered only at schools whose libraries were rich in primary sources.
- ④ The texts assigned as reading in such courses were often not very challenging for students.
- ⑤ Students often complained about the texts assigned them in such courses.

[29-30]. Nutrition is the key to metabolism. The pathways of metabolism rely upon nutrients that they break down in order to produce energy. This energy, in turn, is required by the body to synthesize molecules like new proteins and nucleic acids (DNA, RNA). Nutrients, in relation to metabolism, encompass factors like bodily requirements for various substances, individual functions in the body, the amount needed, and the level below which poor health results. Essential nutrients supply energy and supply the necessary chemicals (A). Food provides a variety of substances that are essential for the building, upkeep, and repair of body tissues, and for the efficient functioning of the body.

29. Which is the most suitable expression for A?

- ① which the body itself cannot synthesize
- ② which the body itself can synthesize
- ③ which the body itself cannot metabolize
- ④ which the body itself can metabolize
- ⑤ which the body itself cannot assimilate

30. Which title best describes the passage?

- ① The complex processes of metabolism
- ② The importance of taking healthy food
- ③ The relation between chemicals and the bodily functions
- ④ The roles of nutrients in the chemical process of the body
- ⑤ The benefits of metabolism for our health

[31-33] The development of online technology has created new methods for communicating, leading, and acting, and can be understood as feminist in nature. While social media is not always utilized in a feminist way, it is a useful tool for feminists to share their perspectives widely within a public forum and is also a medium that can be easily adapted to feminist **(causes)**. Social media embodies feminist values in the number of ways: it eliminates hierarchies, is based largely on personal experience, and provides women with the ability to connect with other women, regardless of geographical and situational boundaries.

31. Which is the most suitable word that can replace the word in the bracket **(causes)**?

- ① cases ② motives ③ effects ④ actions ⑤ history

32. Select the part that is grammatically wrong.

- ① a ② b ③ c ④ d ⑤ e

33. Which is the best title for the passage?

- ① The importance of international solidarity among women through online technology
- ② The similarities between online technology and feminist theories
- ③ How to challenge social discriminations by using social media
- ④ Online technology as a useful strategy to exercise feminist values
- ⑤ The contemporary examples of feminist achievement through online technology
